

SECOND ANNUAL GANG PREVENTION SYMPOSIUM & CONVENTION

February 5-7, 2026

Don Ross Community Centre
891-99th Street North Battleford, SK

The City of North Battleford and BRCC are proud to invite you to our Second Annual Gang Prevention Symposium & Convention. This initiative is supported by Safer Schools Together (SST), Concern For Youth and Battlefords Regional Community Coalition (BRCC). The focus will be on providing regional agencies the opportunity to interact and synergize with each other, highlight their programs and services and explain how to access them to the general public.

Symposium & Convention will include:

- Opportunities for community stakeholders to network and share information/resources (1 table / 2 chairs available per agency at no cost)
- Education and training sessions such as
 - Gang Reduction Through Informed Practice (GRIP®)
 - Updates and changes to the current gang landscape, including recent gang case studies and analysis for sustainable case management strategies
 - Taking a community-focused approach to developing response plans for gang-associated behaviors

While lunch will not be provided, a canteen run by Concern for Youth will be available, and all proceeds will go toward supporting local youth.
