Dear Lucky Man Cree Nation Band Members,

RE: Gift Card Distribution for Lucky Man Cree Nation Members

Chief and Council are pleased to announce a gift card distribution initiative to support the well-being and food security of our members and families. This distribution is intended to assist households facing the increasing cost of living and to support your families.

Households with Children Under 18

- Gift cards provided to households with children under the age of 18 are intended to support food security for families and children, helping ensure access to essential groceries and household food needs.

Adults 18 Years of Age and Older

- Gift cards provided to members 18 years of age and older are intended to support mental wellness and overall well-being through improved food security.

Eligibility Requirements for Future Gift Card Distributions

To ensure fair and accountable distribution of benefits, Lucky Man Cree Nation will require members to provide proof of household residency for future gift card distribution. Acceptable documentation includes:

- A current utility bill; or
- A current rental agreement/lease.

These documents will be used solely to confirm household eligibility and residency.

Chief and Council recognize that some members may not have utility bills or rental agreements in their name. In these circumstances, LMCN Leadership will work to identify and consider alternative forms of documentation to confirm eligibility.

We appreciate your cooperation as we continue to strengthen our processes and ensure support reaches eligible households in a fair and transparent manner.

If you have any questions regarding this distribution or eligibility requirements, please contact the Lucky Man Cree Nation Administration Office. Thank you for your continued support and cooperation.

Respectfully,

Chief and Council
Lucky Man Cree Nation
